## Maths:

1. Practise your times tables for the weekly test.
2. Complete the math worksheet.

---

## Reading:

Make sure you read every night and fill-in your reading record.

---

## Topic:

Walk around outside or in your home and think about all the different sounds you can hear. Draw a diagram showing how one of the sounds reaches your ear. Remember to include the source of the sound, and the medium through which it travels to get to your ear.
